ASSISTANT SECRETARY TO GOVERNMENT
30-OCT 1955
AGRICULTURE DEPT.

I.R.C.No.6912-X3/55, dated 4-10-55. 195

Sir,

Sub:- Education - Fisheries School at Kanhangad - Building Rent - Sanction - Requested.

In G.O.Ms.No.411 Agriculture dated 14-2-55 sanction was accorded for the payment of a rent of Rs.47-8-0 per mensem to the following buildings of Kanhangad school for a period of ~~the~~ one year from 1-4-54 or until such time the newly building sanctioned in G.O.Ms.No.4058 Development dated 6-10-50 was constructed by the building committee of Fisheries School at Kanhangad.

1 Main building with 133 School placed	Rs.37-8-0
2 Temporary shed with 83 school places	Rs.10-0-0
	47-8-0

As there was already a strength of 325 pupils during 1954 the building committee was ~~allowed~~ to provide additional accommodation as per sanction accorded in G.O.Ms.No.4058 Development dated 6-10-50 but the committee due to financial difficulties could not take up that work immediately then. However they constructed a tiled semi pucca building having 81 school places and a pucca urinal and both were taken over on 4-10-54 and 9-11-54 respectively. The committee has however recently constructed the foundation for the additional building with 125 school places and they have promised to complete it as early as possible.

The present semi pucca shed can be used as a coir shed by vacating the temporary shed which is ~~fluidy~~, unsuitable and unsafe when pucca building with 125 shool places is constructed.

The school is therefore now having the following accommodation

1. Main building 133 school places	Rs.37-8-0
2. Temporary shed 83	Rs.10-0-0
3. Semi pucca tiled sheds with 81 schools places.	Rs.20-0-0
4. Pucca urinal	Rs.4-0-0
	71-8-0

The buildings (items 1 & 3 above) are being utilised for holding the classes of standards I to VIII with 243 children (average attendance 200) while the temporary shed item (2) is being utilised for conducting coir handicraft classes. When the pucca building with 125 school places is constructed, the present semi-pucca shed can be used as a coir shed by vacating the temporary shed which is ~~fluidy~~, unsuitable and unsafe. The present 214 school places are ~~held by~~ sufficient for the present strength of 243 children and the strength is likely to increase in the next year. Hence the building committee is being specially requested to expedite the construction work. Till the additional building is constructed and handed over to this Department, the rent payable to the school is therefore as follows:

P.T.O.

Rs.47-8-0 till 3-10-54
B/ Rs.67-8-0 from 4-10-54 to 8-11-54
Rs.71-8-0 from 9-11-54 onwards.

The Executive Engineer, Public Works Department has fixed a rent of Rs.20/- per mensem for the tiled semi-pucca building taken over ~~in~~ 4-10-54 and Rs.4/- per mensem for the ~~anpi-el~~ Annal taken over on 9-11-54.

A copy of the rent certificate No.766 M dated 26-3-55 and a copy of certificate of non-availability of Government building to house the Thanhangad school and the reasonableness of rent obtained from the Public Works Department for 1955-56 ar enclosed herewith.

I therefore request that Government may be pleased to sanction the rent of Rs.71-8-0 per mensem for the building in which the Fisheries school at Thanhangad South Kanara is housed for the periods shown above.
